Aqua Zumba® blends the Zumba® philosophy with water resistance, for one pool party you shouldn't miss! Aqua Zumba is perfect for those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. There is less impact on your joints during an Aqua Zumba® class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles. **Instructor:** Ildiko Timmerman

ABOUT CLIVE LESSONS:

Deadlines: 7 days before start date OR when class full, whichever occurs first. $5 fee for program changes (including date, time or level changes as available). Age based on the first day of class.

Levels: Instructors evaluate skills day one. Students may be moved as spots available, with a $5 change fee. It is common for Levels 1–3 to take 1–2 summers each, and Levels 4–6 to take 2–4 summers each. Before session begins, remind children it is normal to repeat and "getting older" develops strength and coordination for the distance & performance criteria.

Make-ups: Weather can be an issue when choosing outdoor lessons. Make-up lessons will not be provided for weather or families missing a day. Instructors will be there rain or shine doing safety lessons if unable to swim.

Safety: We encourage parents to stay and observe, and ask that you observe from shade canopies/concession area to decrease distraction. Siblings/family members not registered may not swim or wade in waters.

Be healthy: Students should not attend class if ill, diarrhea or fever within 24 hours to avoid spreading RWI's.
