8.01 PURPOSE. The purpose of this chapter is to provide for a partial exemption from property taxation of the actual value added to industrial real estate by the new construction of industrial real estate, research-service facilities, warehouses, distribution centers and the acquisition of or improvement to machinery and equipment assessed as real estate.

8.02 DEFINITIONS. For use in this chapter the following terms are defined:

1. “Actual value added” means the actual value added as of the first year for which the exemption is received, except that actual value added by improvements to machinery and equipment means the actual value as determined by the local assessor as of January 1 of each year for which the exemption is received.
2. “Distribution center” means a building or structure used primarily for the storage of goods which are intended for subsequent shipment to retail outlets. Distribution center does not mean a building or structure used primarily to store raw agricultural products, used primarily by a manufacturer to store goods to be used in the manufacturing process, used primarily for the storage of petroleum products, or used for the retail sale of goods.
3. “New construction” means new buildings and structures and includes new buildings and structures which are constructed as additions to existing buildings and structures. New construction does not include reconstruction of an existing building or structure which does not constitute complete replacement of an existing building or structure or refitting of an existing building or structure unless the reconstruction of an existing building or structure is required due to economic obsolescence and the reconstruction is necessary to implement recognized industry standards for the manufacturing and processing of specific products and the reconstruction is required for the owner of the building or structure to continue competitively to manufacture or process those products, which determination shall receive prior approval from the City Council of the City upon the recommendation of the Iowa Department of Economic Development.
4. “New machinery and equipment assessed as real estate” means new machinery and equipment assessed as real estate pursuant to Section 427A.1, Subsection 1, Paragraph “e”, Code of Iowa, unless the machinery or equipment

is part of the normal replacement or operating process to maintain or expand the existing operational status.

5. “Research-service facilities” means a building or group of buildings devoted primarily to research and development activities, including, but not limited to, the design and production or manufacture of prototype products for experimental use, and corporate research services which do not have a primary purpose of providing on-site services to the public.

6. “Warehouse” means a building or structure used as a public warehouse for the storage of goods pursuant to Chapter 554, Article 7, of the Code of Iowa, except that it does not mean a building or structure used primarily to store raw agricultural products or from which goods are sold at retail.

8.03 PERIOD OF PARTIAL EXEMPTION. The actual value added to industrial real estate by the new construction of industrial real estate, research-service facilities, warehouses, distribution centers, and the acquisition of or improvement to machinery and equipment assessed as real estate, is eligible to receive a partial exemption from taxation for a period of five (5) years.

(Code of Iowa, Sec. 427B.3)

8.04 AMOUNTS ELIGIBLE FOR EXEMPTION. The amount of actual value added which is eligible to be exempt from taxation shall be as follows:

(Code of Iowa, Sec. 427B.3)

1. For the first year, seventy-five percent (75%)
2. For the second year, sixty percent (60%)
3. For the third year, forty-five percent (45%)
4. For the fourth year, thirty percent (30%)
5. For the fifth year, fifteen percent (15%)

8.05 LIMITATIONS. The granting of the exemption under this chapter for new construction constituting complete replacement of an existing building or structure shall not result in the assessed value of the industrial real estate being reduced below the assessed value of the industrial real estate before the start of the new construction added.

(Code of Iowa, Sec. 427B.3)

8.06 APPLICATIONS. An application shall be filed for each project resulting in actual value added for which an exemption is claimed.

(Code of Iowa, Sec. 427B.4)

1. The application for exemption shall be filed by the owner of the property with the local assessor by February 1 of the assessment year in which the value added is first assessed for taxation.
2. Applications for exemption shall be made on forms prescribed by the Director of Revenue and shall contain information pertaining to the nature of

the improvement, its cost, and other information deemed necessary by the Director of Revenue.

8.07 APPROVAL. A person may submit a proposal to the City Council to receive prior approval for eligibility for a tax exemption on new construction. If the City Council resolves to consider such proposal, it shall publish notice and hold a public hearing thereon. Thereafter, at least thirty days after such hearing the City Council, by ordinance, may give its prior approval of a tax exemption for new construction if the new construction is in conformance with City zoning. Such prior approval shall not entitle the owner to exemption from taxation until the new construction has been completed and found to be qualified real estate.

(Code of Iowa, Sec. 427B.4)

8.08 EXEMPTION REPEALED. When in the opinion of the City Council continuation of the exemption granted by this chapter ceases to be of benefit to the City, the City Council may repeal this chapter, but all existing exemptions shall continue until their expiration.

(Code of Iowa, Sec. 427B.5)

8.09 DUAL EXEMPTIONS PROHIBITED. A property tax exemption under this chapter shall not be granted if the property for which the exemption is claimed has received any other property tax exemption authorized by law.

(Code of Iowa, Sec. 427B.6)

8.10 FILING FEE FOR APPLICATION. Prior to final passage of any ordinance granting prior approval for eligibility for a tax exemption on new construction, the property owner shall pay to the City Treasurer, as a filing fee for said application, an amount sufficient to cover all actual costs incurred by the City for legal services, City staff services and services of other persons or entities employed by the City for, or in any way involved in, the review of all matters relating to said application, publication of notices and the preparation of any and all documents, including any ordinance. For non-salaried City staff personnel, actual costs shall be that amount equal to the actual time spent by such employee multiplied times the hourly wage for such employee, plus an amount equal to that portion of the actual value of annual benefits for such employee which is reflective of the actual time spent by such employee on the matter. For salaried City staff personnel actual costs shall be that amount equal to that portion of such employee's annual salary, including the actual costs of annual benefits for such employee, which is reflective of the actual time spent by such employee on the matter based on a forty-hour work week.

EDITOR'S NOTE

After application of the property owners therefor, prior approval for eligibility for a tax exemption on new construction, which prior

approval does not entitle the owner to exemption from taxation until the new construction has been completed and found to be qualified real estate, is hereby given for a 60,000 square foot manufacturing facility, which includes 3,000 square feet of office space, to be constructed in conformance with the site plan as approved by the Council therefor on Lot 14, Interstate Investment Subdivision, an Official Plat all now being in and forming a part of the City of Clive, Polk County, Iowa. Said prior approval for eligibility for a tax exemption on new construction is hereby limited in its scope and subject to the provisions of Chapter 8 of this Code of Ordinances and Chapter 427B of the Code of Iowa.
