CLIVE
FIRE DEPARTMENT

Our Department

The members of the Clive Fire Department are dedicated to providing fire prevention and protection, community education and emergency medical services for the citizens of Clive.

The Clive Fire Department continues to meet the changing needs of the community. The department staffs the fire station twenty-four hours a day and seven days a week.

The Clive Fire Department is a combination of full-time and part-time staff. Clive operates 12-hour shifts that run from 6 AM. to 6 PM. and 6 PM. to 6 AM. A typical shift has two personnel assigned to an ambulance and four personnel assigned to a fire engine.

Training is conducted on each shift and the first Wednesday night of the month is reserved for mandatory training for all members.

The Clive Fire Department answers over 1,800 calls for help each year. We respond to calls for fires, car accidents, medical emergencies, hazardous material incidents and many other situations.

We Need You

If you are a healthy, enthusiastic individual with a desire to belong to a group of dedicated individuals helping their community by providing essential emergency services, then the Clive Fire Department is for you!

To Become a Member
