A CERTIFICATION THAT A PREMISES HAS BEEN INSPECTED PURSUANT TO THIS CHAPTER SHALL NOT IN ANY WAY, CONSTITUTE A WARRANTY OR GUARANTEE OF THE SAFETY OR QUALITY OF THAT PREMISES.

157.03 INTERPRETATION. The foregoing statements of legislative intent shall govern and take precedence over any other language contained in this chapter or the International Plumbing Code 2003 Edition adopted herein.

157.04 ADOPTION.

The International Plumbing Code 2003 Edition, except those provisions thereof which are hereinafter deleted, modified or amended, is hereby adopted as and shall constitute the "Plumbing Code of the City of Clive, Iowa" to regulate the practice, materials and fixtures used in the installation, maintenance, extension and alteration of all piping, fixtures, appliances and appurtenances of sanitary plumbing facilities, potable water facilities and other plumbing systems within or adjacent to or connected with buildings, structures and premises in the City of Clive, Iowa, and the same is, by this reference, incorporated herein

as fully and completely as if set forth in full. The use of the term International Plumbing Code 2003 Edition in this chapter shall be interpreted to refer to the International Plumbing Code 2003 Edition.

157.05 SHORT TITLE. This chapter shall be known as the “Clive Plumbing the “Plumbing Code.”

157.06 SCOPE. The provisions of this Code shall apply to:

1. New Construction.

A. The installation of new plumbing systems within or on public and private buildings and their premises.

2. Existing Buildings.

A. Additions to, alterations of, and repairs to existing plumbing system or equipment, if covered by this code. The Plumbing Inspector may, when such additions, alterations or repairs are made, order other reasonable additions or alterations in a building, structure, or on premises, when a danger to life or property may result if such other additions or alterations were not made.

B. Installations, which were in compliance with the code in existence at the time such installations were made, shall be presumed to be safe and proper, which presumption can be rebutted by evidence that the installation may be dangerous to life or property.

C. If the classification of a building has been changed due to a change in occupancy, the mechanical systems in the entire building shall comply with all the plumbing standards applicable to the new classification. If the occupancy of a building has been changed to a mixed occupancy, with the required fire separation between the mixed occupancy, each occupancy shall comply with its own particular classification and shall be installed in compliance with the plumbing standards of its particular classification.

157.07 INDEMNITY. The applicant for any permit under this Code, by making such application, assumes and agrees to pay for all loss or damage to property whatsoever, and injury to or death of any person or persons whomsoever, including all costs and expenses incident thereto, however arising from or in connection with or related to the issuance of such permit or the doing of anything thereunder, or the failure of such applicant, or the agents, employees or servants of such applicant, to abide by or comply with any of the provisions of this Code or any other ordinances of the City; and such applicant, by making such application, forever indemnities the City, its officers and employees and agrees to save it and them harmless from any and all claims, demands, lawsuits or liability whatsoever for any loss, damage, injury or death, costs and expenses, by reason of the foregoing even though acts or omissions of the City, its officers or employees may have caused or contributed thereto. The foregoing provisions shall be deemed to be a part of the permit issued under this Code whether expressly recited therein or not.

157.08 PERMIT REQUIRED. No new installation, alteration or change shall be made in or upon the mechanical systems or equipment of any building, nor shall any plumbing system or equipment be connected to any existing plumbing system or apparatus without first securing a permit from the Clive Community Development Department.

157.09 ISSUANCE OF PERMIT. After proper application on forms provided by the Clive Community Development Department, permits shall be issued in the name of the person holding a contractor’s license and the name of the firm or corporation with whom the contractor is associated. A person holding a contractor’s license shall secure permits only

for work done by the firm or corporation named on the contractor's license. A licensed plumbing contractor shall sign all applications for plumbing permits. Permits are not transferable. No permits shall be issued to any person or company who has fees outstanding or who has outstanding violations of this code or any other laws or ordinances of this City.

157.10 PERMIT FEES. There shall be a fee paid for the issuance of permits. Permit fees and fees for other inspections shall be set forth in a fee schedule established and approved from time to time by the City Council. Fees on all buildings or structures constructed by any unit of the government or nonprofit organization may be waived by the City Council. No fees shall be collected on buildings or structures constructed by or for the City of Clive.

157.11 EXPIRATION OF PERMIT. Every permit issued under the provision of this Code shall expire by limitation and become null and void, if the work authorized by such permit is not commenced within ninety days from the date of issuance of such permit, or if the work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of ninety 90 days. Before such work can be recommenced, a new permit shall be first obtained, and the fee therefore shall be one-half of the amount required for a new permit for such work, provided that such suspension or abandonment has not exceeded one hundred twenty days.

157.12 REVOCATION. Any permit required by the provisions of this Code may be summarily revoked by the Plumbing Inspector upon the violation of any provision of this Code.

157.13 INSPECTION. Except as otherwise provided in this Code, no person shall cover or conceal or cause to be covered or concealed any plumbing supply or waste system for which a permit has been issued, until such plumbing supply or waste system has been inspected and approved as required by this Code. The Plumbing Inspector shall have authority to remove or cause the removal of any obstructions, which may prevent the proper inspection of plumbing systems. Upon the completion of the plumbing of any building, it shall be the duty of the company, firm or individual doing the same to notify the Plumbing Inspector, who shall inspect the same on receipt of such notice for conformance to the provisions of this Code. Certificates of Occupancy shall not be issued unless the plumbing supply and waste systems, shall be in conformity with the rules and regulations set forth in this Code.

157.16 LICENSING. PLUMBING CONTRACTOR LICENSE

157.16.1. Definitions. The following definitions apply to this section:

- A. Master Plumber. Any person who has satisfactorily passed the examination for a master plumber's certificate of competency.
- B. Plumbing Contractor. The term "Plumbing Contractor" includes any person, firm or corporation engaged in contracting for the installation of plumbing.

157.16.2. Exceptions. Except as otherwise provided herein, no person, firm or corporation shall engage in, or represent himself or herself to the public as engaging in; the activity or business of installing, altering or repairing any plumbing or building drainage systems for which permits are required by this Code; unless such person or firm shall have first obtained from the City of Clive, Iowa, a Plumbing Contractors License. Exceptions to license requirements shall be as follows:

- A. A Plumbing Contractors License shall not be required in the following cases:

- (1) Public or private sewers, other than a building or house sewer;
- (2) Lateral sewer stubs, extending from a public sewer to the property line, when built in compliance with the Urban Standard Specifications for Public Improvement and inspected by the City.

B. The Clive Water Department shall not be required to hold a Plumbing Contractor's License in order to perform the following work:

- (1) Minor adjustments to a water service in order to terminate water service.
- (2) Minor temporary water service repairs and adjustments to control flows in emergency situations where damage is caused or hazard is created.
- (3) Minor plumbing work performed in or on City-owned buildings or equipment.
- (4) Sewer repair and maintenance.

157.16.3. **Qualifications for Plumbing Contractor License.** Any person, firm or corporation may obtain a Plumbing Contractor License when the active manager or managers of said firm or corporation holds a Master Plumber certificate of competency. A license issued to such firm or corporation shall have upon its face the name of the active manager or managers who are holders of a certificate of competency. Whenever a firm or corporation licensed as a Plumbing Contractor fails to employ an active manager who is the holder of a certificate of competency, its plumbing license shall be automatically revoked. Any change in the active manager or managers shall be immediately reported to the Building Official and the change noted upon the license.

157.17 BOND.

157.17.1 Before a Plumbing Contractor License shall be issued, the applicant shall file with the Community Development Department a bond in the sum of five thousand dollars (\$5,000.00), to be approved by the Community Development Director, to save the City harmless on account of any and all failures on the part of the said applicant to comply in all particulars with the provisions of this Code, other ordinances of the City of Clive and the rules and regulations of the City of Clive and the rules and regulations of the local and State Boards of Health.

157.17.2. **License Fees.** All Plumbing Contractor Licenses shall expire on the thirty-first day of December next ensuing after the issuance thereof. Before issuing any Contractor License, the City Clerk of the City of Clive, Iowa, shall charge and collect from the person, firm or corporation, receiving the same, a fee in accordance with the fee schedule established from time to time and approved by the Council.

157.17.3. **Employment of Licensed Plumbers.** No person, firm or corporation shall employ any person, firm or corporation to engage in construction, reconstruction, alteration or repair of any plumbing or building drainage system in or for any building in the City of Clive, Iowa, unless such person, firm or corporation has obtained a Plumbing Contractor License.

156.18 INSTALLATION BY OWNER. In cases where the owner desires to perform the installation of minor plumbing supply or waste system fixtures in said owner's own residence, the owner may do so after demonstrating to the Building Official that he or she is competent to do the specific work for which he or she desires a permit and obtaining a permit from the City Community Development Department.

156.19 PLUMBING INSPECTOR. It shall be the duty of the Construction Services Administrator - appointed under provisions of the Clive Community Development Director to administer and enforce the provisions of this chapter and to make any required inspection or tests. For the purposes of this Code he/she may also be referred to as the Plumbing

Inspector. A person or persons may be appointed as assistants or agents of the Construction Services Administrator - as may be necessary to carry out the provisions of this chapter. For the purpose of making inspections, tests, or otherwise discharging his/her official duties, the Plumbing Inspector shall have the right to enter at any time any building, area, or manhole upon notifying the company or individual owning or having charge or control of the same. Whenever, in the judgment of the Plumbing Inspector, any plumbing system or appliance shall be defective or dangerous, or whenever from, any cause the premises shall be in such defective condition as to be in danger of fires, or accident to workmen or the general public, the Plumbing Inspector shall at once order the removal of such defects and the remedying of such improper condition.

156.20 OUTSTANDING PERMITS. If any plumbing permit is outstanding, the provisions of this chapter, and the Plumbing Code adopted hereby, shall apply to the work authorized by such permit, except to the extent that the Plumbing Inspector shall determine that the application of such provisions to said work would be unreasonable. The burden shall be upon the owner of such permit to show the unreasonableness of such provisions. *(Ch. 157 – Ord. 709 – Jan. 01 Supp.)*

157.21 VIOLATIONS. Any person, firm or corporation, violating any of the provisions of this Code shall be deemed guilty of a misdemeanor, and each such person shall be deemed guilty of a separate offense for each and every day during which any violation of any of the provisions of this Code is committed, continued, or permitted, and upon conviction of any such violation, such person shall be punishable by a fine of not more than \$500.00 or by imprisonment of not more than 30 days or by municipal infractions as prescribed by law.

157.22 APPEALS. Any person affected by a decision of the Plumbing Inspector may request and shall be granted a hearing on the decision, as described in Chapter 160 of this Code of Ordinances.
