

APPLICATION AND AGREEMENT FOR BULK WATER SERVICE

No. _____ Deposit Amount \$ _____ Date _____

The undersigned applicant hereby requests a supply of bulk water from the City of Clive, beginning on _____ and ending on _____ for the purpose of _____

Said supply of bulk water to be drawn only from the fire hydrant location(s) listed on the reverse side hereof and for the use described herein. Water taken from a location not listed herein, or for any other purpose, or water taken from the location(s) shown herein, but without the use of the water meter supplied pursuant to this document, is agreed to be theft of utility service as defined by The Code of Iowa Chapter 714.4 and City of Clive Code of Ordinances Chapter 90 section 90.11, and will subject the Applicant to penalties and/or prosecution.

- 1. Applicant agrees to comply with the rules established in the City of Clive Hydrant Meter Regulations and Procedures Policy now in force or hereafter established and applicable hereto and agrees to pay the current irrigation meter rate for commercial customers as defined in Chapter 92 of the Clive Code of Ordinances. _____ (initial)**

This water supply is warranted to meet applicable governmental regulations by the City of Clive only before it passes through the supply hose. The City of Clive cannot warrant the merchantability of the water if contaminated by the water hose. Once the water passes through the hose, it is sold "as is." No other warranty shall be implied as to the purity of the water and any statutory warranties shall be deemed waived. The City of Clive shall not, in any event, be liable for damages of any kind either by contract or negligence, arising out of defects in the water caused by the water hose.

Applicant agrees to keep a copy of this Application and Agreement for Bulk Water Service at the location of each use of water listed above as evidence of the approval hereof by the City of Clive. Backflow prevention shall be continuously provided.

A non-refundable administrative and equipment testing fee of \$100.00 shall be charged for administration of this agreement. A charge of \$20.00 per day shall be made for each day a meter is kept beyond the ending date shown herein. _____ (initial)

Applicant agrees that the Clive Fire Department or other fire-fighting agency assisting said Department may disconnect any hose or other item associated with this agreement from any fire hydrant, whenever said fire hydrant is needed for fighting a fire.

No. _____

LOCATION(S) AT WHICH BULK WATER MAY BE OBTAINED

Caution: Penalties apply whenever water is taken from locations not listed.

1. _____

2. _____

By his or her signature, the applicant certifies that he or she has read and understands this Agreement, and has received copies of this Agreement, the City of Clive Hydrant Meter Regulations and Procedures and the Public Works Fee Schedule and that he or she is authorized to bind the below named company to this Agreement.
