Call to Artists

Art Along the Trail

Clive, Iowa

Issue Date: November 1, 2013

Overview

The Clive Public Art Commission invites you to submit an application to participate in the third annual ***Art Along the Trail*** public art exhibition. ***Art Along the Trail*** is a temporary outdoor exhibit, displayed along Clive's landmark feature, the Greenbelt Park and Trail system, from May 2014 to October 2014. This call to artists provides **an opportunity for artists to submit completed artwork for consideration**. A selection panel will choose six original sculptures. The artist retains ownership of their work and agrees to loan it to the exhibition. The art pieces will be displayed in highly visible sites along the Greenbelt. Selected artists will receive a **\$1,000 stipend** for loaning the work for the five month period. The City of Clive may purchase one or more of the entries at the conclusion of the exhibition for permanent placement at locations throughout the City. There is no application fee. The City of Clive reserves the right to photograph and reproduce images of the artwork on exhibition for promotional and educational purposes.

Location of Artwork

The nearly 12 mile Clive Greenbelt Trail winds its way along Walnut Creek, through scenic, heavily wooded areas. It is one of the Des Moines metro's premier bike and running trails. The trail links many parks and recreation areas and connects to the 57-mile Raccoon River Valley Trail and the Des Moines trail system which then connects to the Urbandale system, the Jordan Creek Trail, and the Bill Riley Trail. The City has selected six major trailhead/park locations along the Greenbelt for art placement which will maximize visibility and enhance the trail users' enjoyment. [Click here](#) to see a map of the sculpture locations. The City reserves the right to designate the exhibition location of selected artwork.

Installation

Artists are responsible for all costs, equipment and labor necessary for the delivery, installation and removal of their work and assume all risk and damage to their work before and during installation and during and after removal. The sculptures will be insured by the City of Clive up to the purchase value of the sculpture after installation while on exhibition. A level, 4x4 foot concrete pad with an anchored 3x3 foot steel plate will be provided for securing the sculptures. Work not appropriate for installation onto a concrete base/steel plate, will be addressed on a case-by-case basis with the artist. The artists will install the work under the supervision of City personnel. Lighting and power will not be provided at the locations. The Artist shall affix their art work to the steel plate with locking bolts to prevent tampering or removal of the art work by non-authorized parties.

Each selected piece of artwork will have a pre-determined sales price, up to a maximum of \$12,500. **The City of Clive may purchase one or more of the exhibited artworks for placement at permanent locations throughout the City. If so chosen, the artists agree to sell the artwork to the City for the pre-determined purchase price.** The \$1,000 stipend provided to the artists will be credited against the purchase price for those artworks selected. City of Clive Public Art Program

As part of the City's commitment to enhance the 'Distinct by Nature' character of Clive with the addition of art in public places, the City Council provided direct appropriation funding for public art.
