hoopla-

**This service is available to Clive, and rural Polk County residents only.*

hoopla allows customers to instantly borrow digital books, comics, audiobooks, music, movies and television — with no holds, and no waiting! And there's no need to worry about late fees; hoopla features an automated service that returns your item once your time is up. Content can be streamed to computers, tablets or smartphones, and can be downloaded to mobile devices to allow for offline viewing any time. You can check out up to 4 items from hoopla each month.

Only interested in seeing content for kids and families? hoopla offers a Kids Mode setting that simulates the experience kids might have in the children's section of the Library.
